

OVAC RATING SYSTEM

Football

Effective Spring, 2011

1. Each team is assigned a rating based on their classification:

- Class 1A: 30 points (1-158)*
- Class 2A: 40 points (159-226)
- Class 3A: 50 points (227-367)
- Class 4A: 60 points (368-521)
- Class 5A: 70 points (522 +)

*NOTE: Enrollment of non-Conference schools is to be based on total number of males and females in grades 10, 11, and 12 for that school year.

2. Non-Conference schools will be assigned first level point values based on enrollment figures corresponding with the above OVAC classifications.

3. All schools scheduled for that season will count for First Level Points.

4. **BONUS POINTS:** FIVE (5) Bonus Points will be awarded for all wins by defeated OVAC opponents. NO BONUS POINTS will be awarded for any wins by defeated non-Conference schools.

5. To be eligible for the championship, the following number of games must be played with Conference opponents before the established cutoff date for that sport:

Football: three

6. Once the first and second level points are determined, the total points accumulated by the school will be divided by the games played. The team with the highest average at the cutoff date will be considered as the champion.

7. If any team plays an opponent on its regular season schedule more than two (2) times, only the first two games played will count in the OVAC standings or toward minimum OVAC game requirements.

IMPORTANT NOTE

The last date for schedule changes shall be determined by the earliest start date of either State association for that sport.

Should the schedule be changed after the first game is played, the game changed will not count toward the cumulative points or minimum OVAC game requirements.

Any exceptions to this must be submitted in writing to the Executive Secretary. A decision will be made by the Executive Secretary, the Commissioner, and Executive Board, if deemed necessary. That decision will be final. (An example of this might be the flooding experienced during the '05 season).

Any change prior to the first game must be given to the Commissioner, IN WRITING, or it will not count in the standings.

TIES:

In the event of a tie, each school will receive 1/2 of the assigned first level points.

No bonus points will be awarded for a tie.

Section 7 of the OVAC Constitution -

Any scheduled regular season contest which is not started due to unforeseen circumstances as determined by the Executive Board (such as failure of a team to arrive, strike, school closing) shall not be included in won-lost statistics. The parties affected by this event will have their accumulative points divided by one less game. Questions and appeals regarding this can be sent to the Executive Board for their review.

TIEBREAKER

A tiebreaker will be used in breaking ties for the top position only. The decision of the committee with regard to the final tiebreaker determination will be final. The tiebreaker will be based on the final standings at the cutoff date.

In the event of a tie for the final season standings, the following tie-breakers will be used:

- head-to-head meetings;
- best record against common opponents.
- best point average against common opponents.
- total bonus points earned

ELIGIBILITY WAIVER:

A waiver may be granted by the Conference for extenuating circumstances such as strikes, failure to fulfill a contract, non-availability of Conference opponents, etc. However, in order to receive a waiver, a school with an open date must prove written documentation to the commissioner and the Executive Board of their unsuccessful attempt to schedule an OVAC opponent with the same common date.

Waivers will only be granted should a school attempt to schedule ONE class above or below their classification.

Any request for a waiver **MUST BE PRESENTED** to the Executive Secretary prior to the first start date of either State association.

SCHEDULE ALTERATIONS:

No schedule changes or additions **after the assigned date** will count in the standings or count as games played. **Scheduled games cannot be changed and must be played on the date scheduled. No game can be moved forward or back for any reason.***

PENALTY: The team in violation of this rule will have its points awarded to the opposing team. Both teams' won-loss record will remain the same, but both teams will have their total points divided by one more game than their record indicates.

PENALTY: Should this occur during the final week of the regular season, the offending school will be ineligible for OVAC playoffs BOTH the current season and the following season.

●The above rating system was adopted by the Executive Board on March 24, 2010, to implement beginning with the 2011 spring sports year.
